## **CHRISTMAS GRACE**

**G**od of all gifts, we thank you for the many ways you have blessed us this day. We are grateful for each of those who are gathered around this table. We ask you to bless us and our food and to bless those we love who are not with us today. In our gratitude and love, we remember your humble birth into our lives and pray for those who are without enough to eat. We remember the stable in which you were born and pray for those who have no place to live. We remember your challenging message of caring and giving and we pray for peace in families and nations throughout the world. We bless you and give you thanks in your Spirit who brings our hearts to life the Christmas Day and forever. Amen.

## **A BIT OF HUMOR**

**J**ennifer was a pretty 18-year-old girl. The week before Christmas she went to the store to decide which of the many types of tinsel she would buy. She made her choice and asked the teenager who was in the fabric section, "How much is this gold tinsel garland?" He pointed to the Christmas mistletoe above the counter and said, "This week we have a special offer, just one kiss per meter." "Wow, that's great." said Jennifer. "I'll take 12 meters." With expectation and anticipation written all over his face, the boy measured the tinsel, wrapped up the garland, and gave it to her. She then called to an old man who had been browsing the Christmas trees and said, "My Grandpa will settle the bill." 😂
